MEMORANDUM FOR THE CHIEF, INTELLIGENCE DIVISION, G-2  
Department of the Army

SUBJECT: Soviet troop turnover in Austria and Germany

1. It would be appreciated if your office would prepare for us a memorandum concerning the rate of turnover of Soviet troops in Austria and Germany for the period June 1949 to date. It is suggested that this might be best expressed in monthly figures, showing the total number of troops in each area, the number of troops arriving each month, and the number of troops departing each month. 25X1A9a

2. Should the need arise, [REDACTED] Code 148, Ext. 2003 may be contacted concerning this project.
